

GLC Zoom Meeting Feb.18, 2021 12:00 noon

Attending:

Derek Shiels

Ginger Cawood

Emily Douglas

Irene Eiseman

Phyllis Higman

Carolyn Miller

The meeting started with a review of the webinar schedule:

Susan Faucet- Feb. 26

Maryann Fiest- March 26

Brad Slaughter- April (open)

Concern for more time for audience questions on a limited 40 minute zoom platform led to inquiries on other options. The MSU platform allows one hour, while the LTC platform time is unlimited. Derek will look into possible changes. He also volunteered to be the host for the first webinar. A sign up sheet will be sent out for hosting other presentations.

The decision to pay \$100 stipends to each 30 minute speaker as opposed to free voluntary service held, with only one dissenting voice. The presenter retains the option to refuse payment. I can only hope goodness of heart will prevail.

Discussion of falling membership and declining dues revenue led to a suggestion of more promotion of the existence of MBC. The LTC summer newsletter mailing list is a potential starting point.

A vote was taken for Carolyn Miller to retain two positions on state and chapter boards with the power of one vote.

Meeting adjourned at 12:40 PM.
